Rover

Jackie French

Rover Jackie French

He was just a fat runt of a puppy. He didn't look much like his namesake, Mighty Rover, but when the witch gave Riki Snarfari his True Name, it stuck.

She was just a poor farm girl. She lived alone with her mother in a quiet seaside village and spent her days running after the cows.

When Viking raiders attack, both are taken as prisoners. The Viking ways are strange: their huts grander, their food richer, their dreams bigger. Freydis, their leader, is a bold Viking woman who bows before no man. Like her people, she can be intelligent and shockingly brave one minute, then heartlessly brutal the next.

Behind Hekja there is pain, but ahead is an open sea, and a remarkable adventure for one girl and her dog. As they sail on to Iceland, Greenland, and beyond, a runner and a rover must finally find their home.

Vividly real, masterfully conceived, and rich with larger-than-life characters, Jackie French's rover is a voyage to a world of intrigue, discovery, and surprise.

From reader reviews:

Herbert Beckley:

Book will be written, printed, or created for everything. You can know everything you want by a publication. Book has a different type. As you may know that book is important thing to bring us around the world. Close to that you can your reading proficiency was fluently. A reserve Rover will make you to be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that will open or reading a book make you bored. It isn't make you fun. Why they might be thought like that? Have you looking for best book or ideal book with you?

Daniel Hendrix:

As people who live in the modest era should be up-date about what going on or details even knowledge to make these keep up with the era that is always change and make progress. Some of you maybe will probably update themselves by examining books. It is a good choice for you but the problems coming to you actually is you don't know what type you should start with. This Rover is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Dennis Simpson:

Now a day people that Living in the era where everything reachable by talk with the internet and the resources inside can be true or not need people to be aware of each information they get. How people have to be smart in getting any information nowadays? Of course the answer then is reading a book. Looking at a book can help individuals out of this uncertainty Information particularly this Rover book because this book offers you rich data and knowledge. Of course the info in this book hundred % guarantees there is no doubt in it as you know.

Harold Riggs:

A lot of book has printed but it is unique. You can get it by internet on social media. You can choose the very best book for you, science, comedy, novel, or whatever by searching from it. It is identified as of book Rover. You can contribute your knowledge by it. Without causing the printed book, it can add your knowledge and make anyone happier to read. It is most critical that, you must aware about e-book. It can bring you from one spot to other place.
