Errori pagati col sangue, brutte cicatrici e splendide bugie. Una storia di corruzione.

Helen Gardener viene assassinata durante una crociera su un transatlantico. La Diamond Royale parte da Southampton con a bordo il suo assassino. Ambientato negli anni '50, *Acque Avvelenate* narra le storie di sette sfortunati personaggi in qualche modo colpiti dalla sua morte. Si è trattato solo di un incidente? Il signor Phillips, proprietario della nave e ospite della crociera, governa con il pugno di ferro, alla ricerca di qualcosa... o di qualcuno.

Le bugie prendono il sopravvento mentre i sospettati cercano di sopravvivere agli ultimi giorni sulla nave. Vivendo il conflitto tra la propria morale, la cupidigia e la lussuria, capiscono chi sono realmente. Chi arriverà in alto? Chi cadrà? *Chi ha ucciso Helen Gardener?*
