## Amanhã você vai entender (Portuguese Edition) Rebecca Stead

A jovem Miranda Sinclair precisa desvendar um enigma na Nova York do final da década de 1970. Em Amanhã você vai entender, seu melhor amigo é agredido na rua, um estranho pode ter invadido a casa dela e uma série de bilhetes, que ela não comprehende nem tampouco sabe quem escreve, alerta sobre a morte de alguém. Alguém que ela poderá ajudar a salvar.

À medida que as mensagens chegam, Miranda percebe que quem as escreve sabe de detalhes de sua vida que ninguém deveria saber. E, conforme as peças do quebra-cabeça se encaixam, ela finalmente percebe que a resposta sempre esteve ali, bem em sua frente - mas o tempo é ardiloso: guarda hoje momentos que só amanhã você vai entender.

Amanhã você vai entender, segundo livro de Rebecca Stead, recebeu a Medalha Newbery, prêmio da American Library Association destinado às mais importantes contribuições norte-americanas à literatura jovem.

**The New York Times Book Review** "Cada palavra, cada frase têm significado e conteúdo [...nesse livro] inteligente e impressionante."

**The Wall Street Journal** "Os leitores [...] vão se surpreender muito tempo depois ainda esmiuçando os detalhes dessa história magnífica e elaborada."

**The Washington Post** "Nenhum detalhe é sem importância, nenhuma personagem é secundária nesse intrincado romance, que tem na natureza do tempo seu mais instigante mistério."

**School Library Journal** "Um mistério diferente e instigante, que vai encantar todo tipo de leitor."

**Kirkus Reviews** "Os leitores mais jovens vão ficar voltando ao início e repetindo: Uau... muito bom."

**The Horn Book Magazine** "As revelações finais são surpreendentes e correspondem às expectativas, mas chegam a nós devagar."
