Just One of the Guys?: Transgender Men and the Persistence of Gender Inequality

Kristen Schilt

Just One of the Guys?: Transgender Men and the Persistence of Gender Inequality Kristen Schilt

The fact that men and women continue to receive unequal treatment at work is a point of contention among politicians, the media, and scholars. Common explanations for this disparity range from biological differences between the sexes to the conscious and unconscious biases that guide hiring and promotion decisions. *Just One of the Guys?* sheds new light on this phenomenon by analyzing the unique experiences of transgender men—people designated female at birth whose gender identity is male—on the job.

Kristen Schilt draws on in-depth interviews and observational data to show that while individual transmen have varied experiences, overall their stories are a testament to systemic gender inequality. The reactions of coworkers and employers to transmen, Schilt demonstrates, reveal the ways assumptions about innate differences between men and women serve as justification for discrimination. She finds that some transmen gain acceptance—and even privileges—by becoming “just one of the guys,” that some are coerced into working as women or marginalized for being openly transgender, and that other forms of appearance-based discrimination also influence their opportunities. Showcasing the voices of a frequently overlooked group, *Just One of the Guys?* lays bare the social processes that foster forms of inequality that affect us all.

Eric Baur:

Is it you actually who having spare time then spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Just One of the Guys?: Transgender Men and the Persistence of Gender Inequality can be the solution, oh how comes? It's a book you know. You are consequently out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these books have than the others?

Janet Thaxton:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Just One of the Guys?: Transgender Men and the Persistence of Gender Inequality can make you experience more interested to read.
