This easy-to-read, illustrated text addresses all the topics required by POST for the PC 832 Training course. More than this, the book has been the consistent PC 832 training book since 1986, and is updated yearly. For students, the book ensures uniform exposure to all POST-required material and it also gives them a widely ranging reference handbook to use long after the class is completed. For instructors, this text not only reduces the need for supplemental handouts, but it also provides study assignments with a comprehensive glossary and complete index.
