## **Rogue State: A Guide to the World's Only Superpower** William Blum

“Bravo! A vivid, well-aimed critique of the evils of US global interventionism, a superb antidote to officialdom’s lies and propaganda.”—Michael Parenti

“*Rogue State* forcibly reminds us of Vice President Agnew’s immortal line, ‘The United States, for all its faults, is still the greatest nation in the country.’”—Gore Vidal

“Bill Blum came by his book title easily: He simply tested America by the same standards we use to judge other countries. The result is a bill of wrongs—an especially well-documented encyclopedia of malfeasance, mendacity and mayhem that has been hypocritically carried out in the name of democracy by those whose only true love was power.”—Sam Smith

**William Blum**’s latest book is *Freeing the World To Death: Essays on the American Empire*.
