## **Slouching Towards Gomorrah: Modern Liberalism and American Decline** Robert H. Bork

In this *New York Times* bestselling book, Robert H. Bork, our country's most distinguished conservative scholar, offers a prophetic and unprecedented view of a culture in decline, a nation in such serious moral trouble that its very foundation is crumbling: a nation that slouches not towards the Bethlehem envisioned by the poet Yeats in 1919, but towards Gomorrah.

*Slouching Towards Gomorrah* is a penetrating, devastatingly insightful exposé of a country in crisis at the end of the millennium, where the rise of modern liberalism, which stresses the dual forces of radical egalitarianism (the equality of outcomes rather than opportunities) and radical individualism (the drastic reduction of limits to personal gratification), has undermined our culture, our intellect, and our morality.

In a new Afterword, the author highlights recent disturbing trends in our laws and society, with special attention to matters of sex and censorship, race relations, and the relentless erosion of American moral values. The alarm he sounds is more sobering than ever: we can accept our fate and try to insulate ourselves from the effects of a degenerating culture, or we can choose to halt the beast, to oppose modern liberalism in every arena. The will to resist, he warns, remains our only hope.

#### **Ora Orozco:**

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise

word says, many ways to reach Chinese's country. Therefore this Slouching Towards Gomorrah: Modern Liberalism and American Decline can make you experience more interested to read.
