A powerful, rage-filled entity throws a man across a room. An incubus heralds his attacks with the smell of burnt cookies. A demon disguises itself as a guardian angel and humiliates a woman to the point of madness. *Vanquishing Ghosts and Demons* explores more than thirty terrifying case studies of a spiritualist medium and her colleagues. The bizarre and horrifying true accounts in this book will have readers on the edge of their seats, aghast at what is “out there.”

Investigating reports of creatures from the astral plane who have entered our world through portals or by invitation, Sandrea Mosses has encountered treacherous spirits, other-dimensional beings, and full-blown demonic infestations. Having removed other-dimensional predators from people, places, and the land itself, Mosses is living proof that with the proper training and tools, dark entities can be beaten.
