## **Cheetah Math: Learning About Division from Baby Cheetahs** Ann Whitehead Nagda

Cheetahs are very fast—and very shy. When two young cubs come to the nursery at the San Diego Zoo, the staff hopes they will help visitors learn more about the plight of cheetahs in the wild. Majani and Kubali are shy, but with the help of their dog buddies they become perfect animal ambassadors.

In *Cheetah Math*, kids can learn all about division from these baby cheetahs and their canine friends.
