## **Capturing the Light: An Inspirational and Instructional Guide to Landscape Photography** Peter Watson

Photographers can see the light—and learn how to capture it—with this outstanding collection that showcases Peter Watson's impressive, sparkling, and perfectly lit landscapes. Peter discusses the camera, lens, and film he used, gives the exact exposure time, provides insights into filters and polarizers, and even reveals how long he had to wait before getting the right light. With its fascinating insight into the life of a professional and its invaluable guidance, this is an essential addition to every enthusiast's library.
