Riformismo mancato (RX Castelvechi) (Italian Edition) Massimiliano Amato

Il primo governo organico di centrosinistra (4 dicembre 1963), con l'ingresso del Psi nella "stanza dei bottoni", e? l'emblema delle occasioni mancate dalla classe dirigente italiana. Quella che si attuerà?, alla fine, sarà? una "riforma riformata", nata nella testa dei socialisti e finita nelle mani dei democristiani. Massimiliano Amato e Marcello Ravveduto, con questo libro, non si fermano però? solo ai palazzi del Potere e ai difficili equilibri interni tra le forze che appoggiano il Centrosinistra, ma cercano di scorgere il volto dell'Italia del Miracolo celato dietro il racconto del conflitto politico: l'urbanesimo della speculazione edilizia; le auto che mutano il paesaggio; la famiglia che modifica usi e costumi; i giovani e le donne che pretendono di essere protagonisti della modernità?; i braccianti che sciamano verso le città?; gli operai che agognano il possesso della casa, dell'utilitaria, della televisione e degli elettrodomestici. Si coglie con nettezza una distanza tra i desideri degli italiani e le prospettive dei partiti. Mentre i politici discutono, interpretando il Miracolo come una crisi di crescita, i cittadini sono attratti da un'unica grande meta: il ceto medio come conquista sociale. Un'aspirazione che, tra luci e ombre, unifica la formazione dell'immaginario collettivo – musica, letteratura, cinema, televisione e filmati in Super 8, prezioso occhio meccanico che ci mostra un Paese che cambia – con il susseguirsi di luoghi comuni e stereotipi: gli italiani, più? che giurare fedeltà? al cattolicesimo, sono conquistati dalla "religione dei consumi", fulcro e sostanza della "mutazione antropologica" pasoliniana.
