Excerpt from Three Episodes of Massachusetts History, Vol. 1: The Settlement of Boston Bay, the Antinomian Controversy, a Study Od Church and Town Government

The first of these "Three Episodes" is entitled "The Settlement of Boston Bay." This, to a certain extent, is a misnomer and deceptive, inasmuch as the settlement therein described was not the famous one of 1630, still commemorated on Boston's civic seal, but an anterior, and, so to speak, prehistoric settlement, of wholly different character. Of this settlement, unbroken from September, 1623, Weymouth - then known as Wessagusset - was the site; and from what is now Weymouth went forth the original occupants of the localities since known as Boston, East Boston, and Charlestown. This first settlement, moreover, was so obliterated by the more considerable migration of 1630, and the years immediately subsequent thereto, that in time the recollection of it passed away. It thus escaped the notice of historians even that the earliest attempt at the colonization of the shores of Boston Bay was feudal in character, originating with Sir Ferdinando Gorges, and representative, not of Puritanism and the Commonwealth, but of Church and State.

## About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
