2,500 Meters Above the Sea: Microcosm and Macrocosm at High Altitude (Calvendo Nature) Cedlanio

From the icy winter until the bright summer we are fighting for life at high altitude. The cycles of life roll from the mountain peaks to the valleys, year by year in colorful ways. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
