## Eco Barons: The Dreamers, Schemers, and Millionaires Who Are Saving Our Planet Edward Humes

“Well written and compelling, *Eco Barons* gives the reader a first glimpse of the activists, philanthropists and gadflies who may well turn out to be the J.D. Rockefellers and Rachel Carsons of our time.”

—*Cleveland Plain Dealer*

Pulitzer Prize-winner Edward Humes offers readers an eye-opening look at the remarkable philanthropists and visionaries who are devoting their lives to saving the earth from overdevelopment and destruction. In *Eco Barons*, Humes, the bestselling author of *Mississippi Mud* and *Monkey Girl*, gives us fascinating portraits of extraordinary men and women who are dedicated to humankind’s survival—as important a contribution to the environmental cause as Al Gore’s *An Inconvenient Truth*. As the *New York Times* points out, “Humes’s urgent message is clear: We must all strive to become ‘eco barons’ in our own right if we are to save Planet Earth.”
