Guide To Freshwater Fish of Britain And Europe Peter Maitland

Britain and Europe are home to hundreds of freshwater fish species, many found nowhere else, as well as those fish common to North America and other parts of the world. Over 250 species in 32 families appear in full color, carefully detailed paintings, along with data about their anatomy, physiology, habitat, behavior, development, distribution, and conservation status. Charts and tips cover collecting and breeding as well as sport fishing and ways to fight threats to fishes' survival.
