- * First full-length biography of the controversial Union cavalryman
- * Comprehensive, well-balanced treatment of the infamous Dahlgren Affair, the plot to assassinate Jefferson Davis

Nicknamed "Kill-Cavalry" because of the unusually high casualty rate among his men, cavalry commander Hugh Judson Kilpatrick was also the most notorious scoundrel in the Union army. Kilpatrick lied, thieved, and whored his way through the Civil War, yet managed to attain the stars of a major general. But despite his faults-or perhaps because of them-he is a fascinating character. This exceptionally well-researched biography (all the more remarkable given that Kilpatrick's daughter destroyed all her father's papers after his death) profiles one of the most interesting soldiers to ever wear Union blue.

Samuel J. Martin has published several articles in *Civil War Times Illustrated*, *The Kepi*, and *Virginia Country*, and is the author of *Road to Glory: The Life of Confederate General Richard S. Ewell*. This is his second book.

From reader reviews:

Vickie Hintz:

The book Kill-Cavalry make one feel enjoy for your spare time. You should use to make your capable far more increase. Book can to become your best friend when you getting strain or having big problem along with your subject. If you can make reading a book Kill-Cavalry for being your habit, you can get considerably more advantages, like add your personal capable, increase your knowledge about some or all subjects. You may know everything if you like start and read a reserve Kill-Cavalry. Kinds of book are a lot of. It means that, science guide or encyclopedia or other folks. So , how do you think about this guide?

Robert King:

Kill-Cavalry can be one of your starter books that are good idea. We all recommend that straight away because this guide has good vocabulary that could increase your knowledge in vocabulary, easy to understand, bit entertaining but delivering the information. The copy writer giving his/her effort to get every word into enjoyment arrangement in writing Kill-Cavalry however doesn't forget the main level, giving the reader the hottest and also based confirm resource information that maybe you can be one among it. This great information could drawn you into new stage of crucial imagining.

Delbert Storey:

That reserve can make you to feel relax. This kind of book Kill-Cavalry was vibrant and of course has pictures around. As we know that book Kill-Cavalry has many kinds or style. Start from kids until adolescents. For example Naruto or Private eye Conan you can read and believe that you are the character on there. So , not at all of book are generally make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading which.

Vickie Duke:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Kill-Cavalry can make you sense more interested to read.
