Chester Brown

Louis Riel: A Comic-Strip Biography Chester Brown

A limited-edition reprint of Brown's celebrated biography of the Canadian rebel

Louis Riel tells the story of the charismatic, and perhaps mad, nineteenth-century Metis leader whose struggle to win rights for his people led to violent rebellion on the nation's western frontier. When the collected book appeared in 2003, Brown won widespread critical and industry acclaim for *Louis Riel*, including two Harvey Awards and inclusion on countless best-of lists. Beyond that, it single-handedly revitalized the biography genre of comics, paving the way for a new generation of artists.

This special tenth anniversary edition features rare supplementary material, including early cover art from the original serialization, pencil studies and draft scripts, poster and catalogue art, and a new essay by critic Sean Rogers.
