Music Of The Sky: An Anthology Of Spirit: An Anthology of Spiritual Poetry (Spiritual Classics)

Patrick Laude

A collection of spiritual poetry from antiquity to the present, reflecting many styles and expressions of our experience of the sacred through the medium of poetry. Organized into three universal dimensions of spiritual life, the awareness of suffering and death, the experience of the depth of compassion and love, and the knowledge of the unity of the transcendent and immanent Real, Music of the Sky collects short poems from Buddhist, Christian, Hindu, Islamic, and Native American traditions. Meant neither as an historical survey of spiritual poetry, nor as a definitive collection of essential poems, the reader may open this book at any page, at any time, in virtually any situation, traveling or at rest. The truth and beauty of these poems are certain to provide a source of inspiration for countless generations.
