If ever there was an intense volume of Trigun, "Wolfwood" would at least be its equal. Since the day Vash spotted his decimated soul in the middle of the desert, Nicholas Wolfwood has become a favorite of fans. A man of the cloth with a tortured soul and a past full of bullets, the protector of our story's hero, Wolfwood might just be reaching the end of his pew.

Ironically, the past has come back to attack him. And by that we mean that Livio, the young man Nicholas once befriended. Livio is more than a match for Wolfwood, having been trained by the same master, Chapel. And now the master and both disciples meet in a deadly face-off, and only one man will survive.

But readers are in for more than just one surprise in this climactic volume of Trigun.
