*A Hundred Feet Over Hell* is the story of a handful of young pilots taking extraordinary risks to support those on the ground. Flying over Vietnam in two-seater Cessnas, they often made the difference between a soldier returning alive to his family or having the lonely sound of “Taps” played over his grave. Based on extensive interviews, and often in the men’s own words, *A Hundred Feet Over Hell* puts the reader in the plane as this intrepid band of U.S. Army aviators calls in fire support for the soldiers and marines of I Corps.
