Dereliction of Duty: The Eyewitness Account of How Bill Clinton Compromised America's National Security Robert Patterson

Here is the ultimate insider's account from the highest and most sensitive levels of the Clinton administration, revealing how the irresponsible use of power can lead to a terrible price paid by all Americans.

Air Force Lieutenant Colonel Robert "Buzz" Patterson was one of the military aides to commander-in-chief William Jefferson Clinton. What Patterson saw shocked him - and finally led him to write this stunning book. It is a warning of just what harm an irresponsible president can do to our national security - harm that, Patterson shows, made the terrorist attacks of September 11th, 2001, almost inevitable.
