Desafios y paradojas: Los jóvenes frente a las desigualdades sociales (Spanish Edition) Orlandina De Oliveira Minor Mora Salas

Los jóvenes mexicanos han forjado su pasado y su presente en un contexto marcado por fuertes y persistentes desigualdades sociales. El hilo conductor de este libro es la inquietud por analizar y explicar cómo estas inequidades se manifiestan en diferentes ámbitos sociales, en un momento clave del curso de la vida de los individuos: el proceso de transición a la adultez. Las vivencias y decisiones tomadas en esta fase dejan marcas indelebles en las trayectorias de vida de los jóvenes y condicionan sus derroteros futuros. La constatación de este hecho nos motivó a dar vida a una obra colectiva con el propósito de contribuir, a partir del esfuerzo conjunto, a desentrañar algunos de los entresijos que dificultan la comprensión de los factores que favorecen la producción y reproducción de las inequidades sociales entre la población joven en el México presente.
