## **Perl 5 Interactive Course: Certified Edition** Jon Orwant

The clear, step-by-step instructions in Perl 5 Interactive Course, Certified Edition, teach you how to develop sophisticated Net applications and Web sites using the flexible power of Perl. From simple tasks like writing loops and opening files to advanced topics such as networking, generating graphics, and linking Perl and C, these hands-on lessons show you how it's done. Throw your Internet connection into the mix and you'll have free access to the eZone, the innovative Web-based learning center from Waite Group Press. You'll get expert help from the pros, interactive quizzes for immediate feedback, dedicated discussion groups for interaction with other students, certification, and even optional continuing education units (for a nominal fee). This isn't just a book; it's a Web-based learning center.

- Provides the opportunity to earn 3 Continuing Education Units from Marquette University
- Updated edition covers the latest version of Perl
- Web-based components include online mentors to answer specific questions, interactive testing for immediate feedback, discussion groups for student interaction and more
- CD-ROM includes Microsoft Internet Explorer, the latest Perl source code and all the binaries needed to run Perl on any platform

### **From reader reviews:**

#### **Richard Vazquez:**

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a know-how or any news even a huge concern. What people must be consider any time those information which is inside the former life are hard to be find than now is taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you receive the unstable resource then you have it as your main information we will see huge disadvantage for you. All of those possibilities will not happen in you if you take Perl 5 Interactive Course: Certified Edition as the daily resource information.

#### **Erica Rawlins:**

Spent a free time to be fun activity to accomplish! A lot of people spent their leisure time with their family, or their own friends. Usually they performing activity like watching television, about to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Will you something different to fill your own free time/ holiday? Might be reading a book can be option to fill your free time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the reserve untitled Perl 5 Interactive Course: Certified Edition can be good book to read. May be it is usually best activity to you.

#### **Kimberley Bailey:**

The reason why? Because this Perl 5 Interactive Course: Certified Edition is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will shock you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such awesome way makes the content within easier to understand, entertaining approach but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking method. So , still want to hold up having that book? If I have been you I will go to the book store hurriedly.

#### **Betsy Aguilar:**

Is it you who having spare time and then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This Perl 5 Interactive Course: Certified Edition can be the answer, oh how comes? The new book you know. You are so out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?
