A gorgeous volume celebrating the personal styles of dynamic creatives, revealing how inspirations translate to the canvas that is home. It is said that a house is a place to dwell, but a home is a space of creation and inspiration. *The Inspired Home* opens the doors to masterful spaces of celebrated musicians, stylists, writers, producers, designers, and tastemakers. With styles that vary from bohemian modern to beach chic, each space artfully reflects how to live well among one's passions and histories.

The immaculate, mostly glass home of Athena and Victor Calderone in Amagansett, New York, is an inviting sanctuary; musician Moby's historical Hollywood Hills mansion is a collection of mid-century modern pieces and quirky collections; and Danish fashion designer Mads and Cecilie Norgaard's houseboat on the Baltic Sea is a haven of art, books, and gorgeous light. Homes from Italy, Los Angeles, New York, Copenhagen, and beyond leave the reader thoroughly inspired to live with what you love creatively. Exquisitely photographed, this vivid book is a must for anyone who loves sophisticated and whimsical living and artful interiors.
