A Truly Yours Digital Edition. . . Deena is driven by the past and things she cannot change. When breast cancer took Deena Bradley's mom when Deena was just a teen, she vowed to find a cure. As an adult, she became a medical researcher with her PhD, determined to keep that promise. But Deena knows she carries the BRCA1 gene, which puts her at greatest risk for developing the disease herself. So she buries herself in her work, avoiding most relationships and deciding never to have a family of her own. But a crisis in her sister's life puts Deena in charge of a cabin full of 12-year-old girls at a summer camp—and Deena finds herself questioning her choices in ways she never thought possible. And Spencer Rossi, the handsome EMT working as camp nurse, only adds to her heart's confusion!
