Remember Little Rock: The Time, the People, the Stories Paul Robert Walker

Just over 50 years ago, in Little Rock, Arkansas, nine brave black students stood up for their rights and made history. The integration of Central High School in Little Rock changed the course of education in America forever, and became one of the pivotal points in the Civil Rights Movement.

In *Remember Little Rock* award-winning author Paul Robert Walker uses eyewitness accounts and on-the-scene news photography to take a fresh look at a time of momentous consequence in U.S. history. Here, we get the story from all sides: the students directly involved; their fellow students, black and white; parents on both sides; military, police, and government officials. The author uses personal interviews with many of those who attended the 50th anniversary celebration in 2007, and explores what happened, what's changed, what hasn't, and why.

This latest addition to National Geographic's popular Remember series also includes a timeline of the Civil Rights Movement, selected postscripts, a guide to resources, and an extensive index. The foreword to this inspiring book is written by Terrence J. Roberts, Ph.D., one of the Little Rock Nine.

National Geographic supports K-12 educators with ELA Common Core Resources.
