The Portable MBA in Project Management

The Portable MBA in Project Management

The Portable MBA in Project Management covers the most pressing topics in project management and features all the leading thinkers in the field. While most project management books address only the techniques for managing individual projects, *The Portable MBA in Project Management* widens the scope to include insights for managing project-based organizations. In doing so, this comprehensive volume will help managers combine the power of individual project successes to drive the organization to new levels of productivity and customer responsiveness. Eric Verzuh, best selling author of *The Fast Forward MBA in Project Management*, brings together the leading lights of project management in this volume, including Robert G. Cooper, Randall Englund, Jack Meredith and Neil Whitten. In addition to his role as editor, Verzuh draws on his own expertise to address how and why project management is a strategic strength, how to integrate project management into your enterprise, and several other topics for which he is well-known. Together they effectively address the full spectrum of the issues in project management today.
