God bless this country, God bless karaoke  
and God save the Queen

It's Saturday night at The Albion, a proper East End boozer and the unofficial home of the English Protection Army. Get your names in early: it's karaoke night and it's gonna be big.  
Little brother Jayson's out front smashing it on the mic but  
behind the scenes the leadership of the EPA is falling apart.  
Paul knows the public won't listen to a bunch of hooligans but  
his deputy Kyle wants a fight. Christine's sure that the key  
to success is in the company you keep and the language you  
speak.

This is England and it's time to take it back.

This explosive new play examines the turbulent rise of the new far right in modern-day Britain. When they  
embrace diversity, just how far can the far right go?
