Why Now?

Rose Forrester was too old to be lying on her car's front seat spying on her first love. She even had a husband and a teenage daughter waiting for her at home. But Rob MacIntyre's return had just turned her world upside down. Seventeen years ago he'd been the town's golden boy and she'd been amazed that he'd even noticed her. Well, he'd done a lot more than notice....

Now she has to tell her husband some hard truths. As she copes with the unfolding drama, Rose discovers she's not the only one in her family hiding things. Even the family dog has prior baggage. And Rose realizes that she, too, must let go of her secret so she can finally test her wings....
