## **The Borribles** Michael de Larrabeiti

*What is a Borrible?* Borribles are runaways who dwell in the shadows of London. Apart from their pointed ears, they look just like ordinary children. They live by their wits and a few Borrible laws-the chief one being, Don't Get Caught! The Borribles are outcasts-but they wouldn't have it any other way....

One night, the Borribles of Battersea discover a Rumble-one of the giant, rat-shaped creatures who are their ancient enemy-in their territory. Fearing an invasion, an elite group of Borrible fighters set out on what will become known in legend as The Great Rumble Hunt. So begins the first of the three epic adventures in Michael de Larrabeiti's classic trilogy, where excitement, violence, low cunning, greed, generosity, treachery, and bravery exist side by side.
