**Libertarian-conservative solutions to the political, social, economic and tax issues facing the United States from a 2012 Third Party Presidential contender, as well as one of America's leading Tea Party political leaders**

In today's uncertain economy, people are growing more and more concerned about their financial future, and looking for common sense, limited government solutions. In *The Conscience of a Libertarian: Empowering the Citizen Revolution with God, Guns, Gold & Tax Cuts*, 2008 Libertarian Party Vice Presidential nominee Wayne Allyn Root presents a passionate case for smaller government; dramatically reduced spending and taxes; States' Rights; free markets; adherence to the Constitution; an end to the Fed; a ban of bailouts, stimulus, earmarks, pork and corporate welfare; economic and personal freedom; and a return of power to the people, just as the Founding Fathers intended. The book

- Explains why Obama's big government solutions are leading to a Great Depression II and a coming Citizen Revolution
- Proposes a one year "Income Tax Vacation," a permanent end to capital gains taxes, and detailed spending freezes and cuts across all levels of government
- Proposes dramatic education reform centered on school choice, home-schooling, charter schools, teacher accountability, and parental freedom
- Proposes unique reforms in the areas of health care, energy and the public sector (government employee unions)

*The Conscience of a Libertarian* reveals how Americans can take back their country from big government, big unions, big corporations, corrupt politicians, bureaucrats, lawyers and lobbyists.
