## Welcome to My Nightmare: The Alice Cooper Story Dave Thompson

Alice Cooper is an American rock star whose career has spanned more than four decades. With a stage show that features guillotines, electric chairs, boa constrictors and baby dolls, Cooper has pioneered a grandly theatrical and violent brand of hard rock designed to shock.

Drawing from exclusive and unpublished interviews with a variety of names and faces from throughout Alice's career, the book follows Cooper's tale from his life growing up as a preacher's son in Arizona, through the early years of struggle in Phoenix and then Los Angeles, and then onto the rollercoaster ride that has been the years since then.

Includes interviews with original bandmates Michael Bruce and the late Glenn Buxton, drummer Neal Smith, the late Frank Zappa, manager Shep Gordon and producer Bob Ezrin.

Includes tributes and recollections from many of the artists who call Alice an influence - from the Damned and the Cramps, to White Zombie and Gwar. Session players and songwriters who have made their own contributions to the Alice story recall their days spent with this Prince of Hell-raisers.

**Erika Yoon:**

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Welcome to My Nightmare: The Alice Cooper Story can make you experience more interested to read.
