In book two in the "Hunter's Blood" series, we follow Vanessa and Hunter as they try to forge a new life together after Vanessa has been fully infected with Hunter's Blood. Being a vampire is still something Vanessa is not wanting to fully accept and the battle between her fleeting humanity and strong desire to feed and explore her sexual needs gets worse by the hour. In her addiction, she desperately tries to hold on but the worst thing happens...love, or better yet, the need for it. This series is extremely graphic in nature and intended for 18+ readers.
