Wind Dancers #12: Magic Horses--or Not? Sibley Miller

The Wind Dancers—Kona, Brisa, Sumatra, and Sirocco—are back with four more full-color illustrated titles sure to delight the imaginations of horse-loving little girls everywhere.

Wanting to be loved the way real, big horses are, the Wind Dancers carelessly wish away their magic. Now they have to act all grown up (and do things that regular horses do, like go to the vet, and put on horseshoes), even though they are still pint-sized and still invisible to people!

For bonus information, contests, and more Wind Dancers fun, visit the Breyer Wind Dancers website.
