A Chicano Manual on How to Handle Gringos (Hispanic Civil Rights) Jose Angel Gutierrez

A tongue-in-cheek "how to" guide written by a hero of the Chicano movement for the education of grass-roots leaders

Under this somewhat threatening title, the renowned civil rights leader José Angel Gutiérrez provides a guidebook to minority empowerment through the use of analysis, practical experience and anecdote. His primary goal is the conversion of Latino demographic power into educational, economic and political power. In an incisive introduction, Gutiérrez analyzes the types of power and evaluates Chicano and Latino access to power at various levels in the U.S. society. In very plain, down-to-earth language and examples, Gutiérrez takes pains to make his broad knowledge and experience available to everyone, but especially to those who want to be activists for themselves and their communities. For him the empowerment of a minority or working-class person can transfer into greater empowerment of the whole community.
