Drawn from her own experience in teaching and making quilts, Jinny Beyer's "Master Palette" system is great for quilters who want to develop color confidence quickly and easily without studying formal color theory. Quilters will learn how to create a smooth-flowing palette with no jumps from dark to light or one color to the next, and will also learn the secrets to "coloring" a quilt by shading colors and fabrics or scattering them throughout a quilt. Practice exercises help crafters combine colors again and again until they can confidently choose colors for any project. Includes eight quilt patterns and templates that encourage quilters to stretch their palette, handy eight-step guide to creating a multi-color, multiprint quilt, 128 color swatches, two master palettes, and eight-course outline and suggestions for color teachers. Jinny Beyer is one of the best-known and most highly respected fabric designers in the quiltmaking industry. Her signature line of fabrics, produced by RJR Fashion Fabrics, is sold throughout the world. Home: Great Falls, VA
