Lies (Gone Book 3) Michael Grant

It's been seven months since all the adults disappeared. Gone. It happens in one night: a girl who died now walks among the living; Zil and the Human Crew set fire to Perdido Beach; and amid the flames and smoke, Sam sees the figure of the boy he fears the most: Drake. But Drake is dead—or so they thought.

Perdido Beach burns and battles rage: Astrid against the Town Council; the Human Crew versus the mutants; and Sam against Drake, who is back from the dead and ready to finish where he and Sam left off. They say that death is a way to escape the FAYZ, but are the kids of Perdido Beach desperate enough to believe that death will set them free?
