""When the good cooks of Litchville, North Dakota, and the surrounding area got together one spring, the talk turned toward rhubarb-lots of it. Cooks across America are rediscovering the tart, delicious possibilities of this traditional garden staple. Now the ladies of Litchville are ready to give them a hand! Try the terrific dishes they tried and tested at their community tasting bees....everything from muffins and punch to chutney and ice cream. And of course you'll find an abundance of the luscious ruby-red pies and sauces you count on, plus much, much more. """
