Ash Wednesday Ethan Hawke

From the actor, director, and writer Ethan Hawke: a piercing novel of love, marriage, and renewal.

Jimmy is AWOL from the army, but—with characteristic fierceness and terror—he's about to embark on the biggest commitment of his life. Christy is pregnant with Jimmy's child, and she's determined to head home, with or without Jimmy, to face up to her past and prepare for the future. Somehow, barreling across America from Albany to New Orleans to Ohio and Texas in a souped-up Chevy Nova, Christy and Jimmy are transformed from passionate but conflicted lovers into a young family on a magnificent journey.

Ash Wednesday is a novel of blazing emotion and remarkable grace, a tale that captures the intensity—the excitement, fear, and joy—of being on the threshold of the mysterious country of marriage and parenthood. Powerful, assured, large of heart, and punctuated by moments of tremendous humor, it represents, for Hawke the novelist, a major leap forward.

From the Trade Paperback edition.

This *Ash Wednesday* can be the answer, oh how comes? The new book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these books have than the others?

Ashley Robinette:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's heart or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So, this *Ash Wednesday* can make you really feel more interested to read.
