## Drink the Rest of That: A Short Story Collection Guy J. Jackson

In this collection of rare, hard-to-find, and often too-short short "stories", Guy J. Jackson wields his not particularly helpful but still relatively charming (at least compared to being chased) worldview in order to pretty much study and correct all of humanity's foibles, or at least the ones that need correcting by the end of this year. Also, if you read these "stories" at the rate of one per day, you'll feel Zen for however many days that there are "stories", or so claimed Roundfire Books' late editorial assistant, Nils Samuels Chastain, even though it wasn't his place to decide that.
