## **On Thin Ice** Eve Gaddy

His voice promised midnight sin and passion.

Attorney Gabrielle Rousseau lives her life by simple rules: Never let a man stand in the way of your ambition and never drop expensive lingerie at the feet of a charming Texas rogue.

As sinfully gorgeous Devlin Sinclair helps her retrieve her most intimate purchases, Gabrielle knows she's in trouble. His suggestive smile and dark smoldering gaze leave no doubt that he'd be happy to deliver on her long-resisted fantasies. None of which she can afford to indulge. Not now. Not with him.

Devlin Sinclair is an attorney with ambition to match her own, and the new obstacle in her path to partner. Avoiding him is not an option, but sharing a case--at the insistence of her boss--is flirting with danger. Devlin makes her forget everything except the feel of his hands on her.

Devlin knows the lady doesn't believe in forever, but he's never walked away from anything he's wanted. He's determined to share the pain that shadows her and find a way to teach her that what they have is forever.

ON THIN ICE is sensual, sultry romance at its best--as only Eve Gaddy can deliver.

### From reader reviews:

#### Joseph Anderson:

The book On Thin Ice make one feel enjoy for your spare time. You may use to make your capable considerably more increase. Book can for being your best friend when you getting anxiety or having big problem along with your subject. If you can make reading a book On Thin Ice to get your habit, you can get far more advantages, like add your personal capable, increase your knowledge about some or all subjects. You can know everything if you like open and read a reserve On Thin Ice. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other people. So , how do you think about this book?

#### Mamie Bostic:

Spent a free time to be fun activity to do! A lot of people spent their spare time with their family, or their particular friends. Usually they undertaking activity like watching television, likely to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Will you something different to fill your current free time/ holiday? May be reading a book might be option to fill your free time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to try look for book, may be the publication untitled On Thin Ice can be fine book to read. May be it may be best activity to you.

#### Rose Bennett:

Exactly why? Because this On Thin Ice is an unordinary book that the inside of the book waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who also write the book in such awesome way makes the content within easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have got such as help improving your ability and your critical thinking method. So , still want to hold up having that book? If I were being you I will go to the book store hurriedly.

#### Joshua Yoshida:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this On Thin Ice can make you sense more interested to read.
