A gorgeously written, sharp debut novel about three middle-aged couples who find themselves unmoored in the prime of their lives

Three couples in San Diego—best friends, empty nesters living the California dream—have reached a tipping point. With the blurry years of child rearing and corporate ladder-climbing over, each pair is finally free to enjoy the golden years together. Until two of the husbands suddenly announce they want a divorce.

As marriages and friendships unravel and the prosperity of the last few decades spins toward financial meltdown, Adele, Maggie and Sylvia find their carefully established footholds and expectations crumbling.

*Denting the Bosch* marks the debut of a talented new voice, and offers an alternatively hilarious and devastating assessment of modern life, marriage, middle age, friendship, money, sex and the American Dream.
