Learning GNU Emacs James Elliott, Eric S. Raymond, Marc Loy, Debra Cameron, Bill Rosenblatt

GNU Emacs is the most popular and widespread of the Emacs family of editors. It is also the most powerful and flexible. Unlike all other text editors, GNU Emacs is a complete working environment--you can stay within Emacs all day without leaving. *Learning GNU Emacs*, 3rd Edition tells readers how to get started with the GNU Emacs editor. It is a thorough guide that will also "grow" with you: as you become more proficient, this book will help you learn how to use Emacs more effectively. It takes you from basic Emacs usage (simple text editing) to moderately complicated customization and programming. The third edition of *Learning GNU Emacs* describes Emacs 21.3 from the ground up, including new user interface features such as an icon-based toolbar and an interactive interface to Emacs customization. A new chapter details how to install and run Emacs on Mac OS X, Windows, and Linux, including tips for using Emacs effectively on those platforms. *Learning GNU Emacs*, third edition, covers:

- How to edit files with Emacs
- Using the operating system shell through Emacs
- How to use multiple buffers, windows, and frames
- Customizing Emacs interactively and through startup files
- Writing macros to circumvent repetitious tasks
- Emacs as a programming environment for Java, C++, and Perl, among others
- Using Emacs as an integrated development environment (IDE)
- Integrating Emacs with CVS, Subversion and other change control systems for projects with multiple developers
- Writing HTML, XHTML, and XML with Emacs
- The basics of Emacs Lisp

The book is aimed at new Emacs users, whether or not they are programmers. Also useful for readers switching from other Emacs implementations to GNU Emacs.

From reader reviews:

John Sanchez:

The book Learning GNU Emacs can give more knowledge and also the precise product information about everything you want. Why then must we leave a very important thing like a book Learning GNU Emacs? Several of you have a different opinion about e-book. But one aim that will book can give many information for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or information that you take for that, you could give for each other; you could share all of these. Book Learning GNU Emacs has simple shape nevertheless, you know: it has great and big function for you. You can search the enormous world by available and read a reserve. So it is very wonderful.

Donald Hidalgo:

Many people spending their moment by playing outside having friends, fun activity using family or just watching TV the entire day. You can have new activity to shell out your whole day by reading through a book. Ugh, do you consider reading a book can really hard because you have to use the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smartphone. Like Learning GNU Emacs which is having the e-book version. So , try out this book? Let's observe.

Linda Porter:

With this era which is the greater person or who has ability to do something more are more treasured than other. Do you want to become considered one of it? It is just simple strategy to have that. What you need to do is just spending your time little but quite enough to enjoy a look at some books. Among the books in the top checklist in your reading list is usually Learning GNU Emacs. This book which can be qualified as The Hungry Slopes can get you closer in getting precious person. By looking up and review this e-book you can get many advantages.

Virgil Santamaria:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Learning GNU Emacs can make you sense more interested to read.
