Sarah's Mouth and My Imagination: My First Lesbian Experience with My Best Friend Aria Scarlett

I'd done something pretty damned adventurous. I'd given Carl a handjob under the table when Susan and all of our friends were there. They had no idea but suddenly the thought of doing more with Carl had me crazy. I knew he had a crush on Sarah and me, so I thought about a threesome. The next day, we talked about the night before and I got so turned on, I just kissed her! I didn't mean to. It just happened. Before I knew it, though, she was kissing me back and then we both found ourselves in the midst of our first lesbian experience but even as it happened I pretended Carl was right there with us.
