Children Left Behind: The Dark Legacy of Indian Mission Boarding Schools Tim Giago

"*Children Left Behind: The Dark Legacy of Indian Mission Boarding Schools* is a must read. Tim Giago, who spent his childhood at one of these schools, examines the unholy alliance between church and state that tried to destroy the culture and spirituality of generations of Indian children. Provocative, riveting, chilling, persuasive, and original, this book leaves the reader overwhelmed. Describing almost inexpressible cruelties and triumphs, Giago pulls us into the boarding school experience. He challenges Indian Country to co-exist with the truth of what actually happened at these schools. Only then can we heal and avoid acquiescence to a system that has crushed so many souls. The book is a triumph, and a major event in Indian education." Ryan Wilson, Oglala Lakota, President, National Indian Education Association

"*Children Left Behind* is a sad story of a nation's best intentions gone awry. Tim Giago's personal accounts reveal an untold tragedy of abuse of helpless children by those who had the responsibility to protect them. To fully understand the calamity, you need only to visit the graveyards of the old boarding schools and see the hundreds of graves of Indian children who did not survive the misguided assimilation efforts." Richard B. Williams, Oglala Lakota, President & CEO, American Indian College Fund

"*Children Left Behind*, written by respected journalist Tim Giago, is a fascinating mix of personal stories and history about the role of government and mission boarding schools in the lives of Native people. The book provides the reader with the cultural and historical context for many of the problems encountered by Native American families in the early 21st century." (Wilma Mankiller, Former Principal Chief of the Cherokee Nation)
