In the 1930s most girls were happy playing with dolls. But one girl, Betty Skelton, liked playing with airplanes, watching them fly around outside, and even flying airplanes herself! She lived for an adventure - in the air, the water, and on land - and nothing could stop her, especially not being a girl. When Betty Skelton was young there weren't many women flying airplanes or racing cars, but she wouldn't let that stop her. She was always ready to take on a challenge, and she loved to have fun. Betty rode motorcycles, raced cars, jumped out of planes, and flew jets, helicopters, gliders, and blimps. And by the time she was an adult, Betty was known in the press as the 'First Lady of Firsts'!
