Bourbon whiskey is a distinctly American product with its roots planted deep in the limestone-enriched soil of Kentucky. The Kentucky Bourbon Trail is an attraction that celebrates the heritage of Kentucky bourbon, bringing to life the people, places, and events that signify the bourbon industry. Today the Kentucky Bourbon Trail includes eight distilleries in the Bluegrass State, some of whose brands and bourbon-making secrets are more than 200 years old. Along the trail, tour guides and distillery exhibits offer visitors a variety of interesting facts. For examples, a “whiskey thief” is not what it sounds like and a Baptist minister was one of the first people to make bourbon. Collected from the Kentucky Historical Society, various distilleries on the Kentucky Bourbon Trail, and private family collections, the fascinating photographs in Images of America: The Kentucky Bourbon Trail offer readers a look back at the pioneers of bourbon, the legendary distilleries that have come and gone, and the history of those brands that carry on the craft today.
