Non era il cielo (Robin&sons) (Italian Edition) Guerrino Ermacora

Rocco Della Giovanna è un giovane cresciuto all'ombra del padre, mercante di cavalli in Montefusco, capitale del Principato Ultra del Regno delle Due Sicilie. Negli anni difficili di fine Settecento, la cittadina soffre per l'invasione delle truppe napoleoniche e il sovvertimento di una società antica, ritenuta stabile e perenne. Le convulsioni e le molte violenze che aprono a un mondo nuovo, non impediscono alla Baronessa Augusta Maria Della Novella di notare il giovane. Benché sposata a un Barone potente, attraverso vie nascoste, e con femminili espedienti, diventa l'amante di Rocco. Ben presto la storia d'amore, rovente e clandestina, si confronta con gli eventi causati dall'Esercito della Santa Fede. Ne comanda le truppe il Cardinale Ruffo, incaricato di ristabilire l'ordine costituito e di restituire il Regno ai Borboni. I fatti successivi, intensi e drammatici, accompagneranno Rocco in esperienze gratificanti ma, alla fine, lo condurranno all'epilogo inevitabile della vicenda.

“Non era il cielo” regala il piacere di percorrere una storia forte, grandiosa, straordinariamente avvolgente e attuale.

From reader reviews:

Michael Griffin:

Nowadays reading books be a little more than want or need but also be a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge your information inside the book this improve your knowledge and information. The data you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want experience happy read one having theme for entertaining for instance comic or novel. The actual Non era il cielo (Robin&sons) (Italian Edition) is kind of reserve which is giving the reader erratic experience.

Teresa Sullivan:

Reading a e-book tends to be new life style within this era globalization. With studying you can get a lot of information which will give you benefit in your life. Along with book everyone in this world could share their idea. Publications can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors nowadays always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this Non era il cielo (Robin&sons) (Italian Edition).

Robert Maas:

Your reading sixth sense will not betray an individual, why because this Non era il cielo (Robin&sons) (Italian Edition) book written by well-known writer we are excited for well how to make book that could be understand by anyone who read the book. Written throughout good manner for you, dripping every ideas and composing skill only for eliminate your personal hunger then you still question Non era il cielo (Robin&sons) (Italian Edition) as good book not simply by the cover but also by content. This is one publication that can break don't evaluate book by its cover, so do you still needing one more sixth sense to pick this specific!? Oh come on your looking at sixth sense already alerted you so why you have to listening to one more sixth sense.

Terry Burrows:

A lot of book has printed but it takes a different approach. You can get it by internet on social media. You can choose the very best book for you, science, comedian, novel, or whatever through searching from it. It is identified as of book Non era il cielo (Robin&sons) (Italian Edition). You can add your knowledge by it. Without leaving behind the printed book, it could add your knowledge and make you happier to read. It is most essential that, you must aware about book. It can bring you from one spot to other place.
