Dave Nichols

**One Percenter: The Legend of the Outlaw Biker** Dave Nichols

**From the editor-in-chief of *Easyriders* magazine, *One Percenter* presents an unprecedented social analysis of American outlaw biker culture.**

A longtime biker and self-proclaimed nonconformist, Dave Nichols is not a subtle man. “Bikers are the last wolves in a land of sheep,” he affirms—but the motivations of today’s biking culture stretch far back into the annals of human history. *One Percenter: The Legend of the Outlaw Biker* illuminates the origins of rebel mentality, which began far outside of cycling: with groups from the Mongols and Huns to the Vikings, from pirates to the gunslingers of the Old West. In his signature no-nonsense style, Nichols traces his own defiant mindset from ancient times all the way into the modern era, where this one-percenter perspective is best embodied by outlaw bikers. As biographical as it is insightful, *One Percenter* also touches on the iconic Harley-Davidson motorcycle, gives a brief history of *Easyriders* magazine, and unapologetically criticizes the U.S. media for what Nichols views as a biased, unfairly negative portrayal of motorcycle clubs. Complete with an exclusive collection of photographs taken by Kim Peterson, editor of *In The Wind* magazine, this book offers a fascinating and analytical discussion of the rebel ethos that has become a staple of American popular culture.
