Holy guacamole! Skippyjon Jones is crazy-loco for dinosaurs! The kitty boy enters (via his closet) the land of dinosaurs in search of the fabled *Skipposaurus*. Instead he runs into his old *amigos*, the Chimichango gang. When a T-Mex threatens the pack, it's El Skippito, the great sword fighter, to the rescue. With yips and yowls, he drives the big baddie away, so all the dino-dukes can rattle their bones another day. This fourth entry in a series that *Kirkus Reviews* called "ay caramba, mucho fun," will win even more fans for the Siamese cat with oversize ears and an imagination to match.
